NOTE FOR: D/DCI/NIO

Attached is Annex A which was forwarded to the President's Commission. It was prepared by the DD/I in the early haste to be responsive, but I feel it can also serve as an annex to the Senate and House Select Committees as well. Per our conversation, please look it over and if improvements or additions seem desirable to you or the NIOs, please pass them back to me.

STAT I have  pulling comments together and she is available if it will be helpful.
